THANKSGIVING HINTS

As your table may be spread with many wholesome things, let not the juice of the grape or the "evi" spirit of the still," as they may give their color in the cup, be found there.

As you surround your bountiful spread table be thankful of your neighbor who may have only a crust. Since few things are so bad but ties. they might be worse, there is always something to be thankful for.

Many turkeys will be stuffed for Thanksgiving, but show thru more wisdom than to "stuff" yourself.

Nothing is lost by occasionally stopping the busy, buzzing wheals of business to return thanks to the bountiful giver of all good.

If you are truly thankful in your Thanksgiving you may well be thankful for the thankfulness that enables you to have a true Thanksgiving.

With mal'ce toward none and charity for all, enjoy your Thanksgiving. As you may have a "lay-off" Thanksgiving day, let not whiskey "lay you out."

There can' be no true Thanksgiving with ill will or hatred in your hearts towards others.

As you participate in the festivities of the day use moderation and judgment. As you have been blest let it meas-

ure your Thanksgiving blessing to others.

paper for one year. Don't think Thanksgiving time is a special opportunity for you to indulge in riot, racket, reveling and feasting. dle, Lima, O.

Ohio's average net profit per acre is \$7.22. Arnett Rose's yield figures a gain of \$101.46 per acre over the average net profit. Ohio is devoting 4,000,000 acres to corn each year. If the farmers of Ohio were to accomplish what, this boy of seventeen accomplished, it would mean a gain of \$405,840,000 each year. In five years this would double the business of every bank in Ohio.
